CRUSADER

1987-1988

CEDAR GROVE HIGH SCHOOL
2360 RIVER ROAD
ELLENWOOD, GEORGIA 30049

DEDICATION

This year's 1987 - 1988 yearbook staff dedicates this yearbook to the football, baseball and wrestling coach,

COACH HARRY NEWBERRY

Coach Newberry has the third most wins in DeKalb County among all of the football coaches. Coach Newberry has achieved a 100 plus win record this year. He has also been one of the few coaches that has sent his whole wrestling team to the state Championships. Coach Newberry has been at Cedar Grove ever since it opened, sixteen years ago. He has touched thousands of Saints lives and they will never forget him.

To Coach Newberry, we say "Congratulations", "Thanks", and "Keep up the good work".

WE ARE BAD

We're Bad in '88! This theme expresses the kind of year we had in 1988. It was also the hit names of the hit titles of LL Kool J and Michael Jackson. Both artists were respectively at the top of the record charts with their versatile versions of "Bad". Expressing a positive influential side of the word "BAD", both records were critiqued as explosive, versatile and stunning hits. These words were also used to describe, "THE VERY BEST", Cedar Grove High School.

The SENIORS, class of '88, at Cedar Grove High School especially dominated this theme in several areas. They proved dominant in Academics, Sports, Activities and Togetherness. The underclassmen also stood out by proving their abilities of upcoming leadership and superiority! Combining all this together, Cedar Grove High School could most definitely say "we're BAD in '88".

Eat your heart out, LaTonya!

Where is everybody at?

Marlon Jackson, of the Jackson family, visited Cedar Grove to honor the Top Ten Percent. Say Cheese, Marlon!

MRS. MARY ANN SCHRECENGOST

Saints Forever, Saints Forever,
We will always honor you
Cedar Grove, Oh Cedar Grove
We will always honor you.

I have always believed that each and every student, faculty and staff member should honor Cedar Grove and be proud of our school. In the last eight years, I have seen many changes take place. A new emphasis has been placed on academics. Our adopter Norrell has played a major role in helping us to reward achievement. The potential for greatness is here. In the future years it will take a committment from everyone to fulfill the words in our Alma Mater "To be the best in all we say and do." It has been my *dream* for eight years. May I take this opportunity to ask that it be *more than just a dream* for the class of 1988 and challenge all students at Cedar Grove to do their very best.

Sometimes teachers do amazing things. They are far from being perfect even though they expect students to be. Behind closed doors, teachers make mistakes too.

FOOTBALL

"Thinking Of A Master Plan"

Cedar Grove Varsity Saints had one of the best records ever during 1987 - 1988. The Saints "did do a good job" as quoted by Coach Newberry. He also said that the defense was good as well. He considers the Saints as being the best in the state. The linemen's skilled performance was the best; no ones skills could match theirs. Yes, the Cedar Grove Saints were actually "Thinking of a Master Plan" when Tony Adams, quarterback threw over 1000 yards, while Chris Sypho ran over 1000 yards.

"Running In The Night"

We have a number of returning lettermen from last year's team that won the Region, and among them are outstanding individuals that could help us repeat (depending on grades and injuries).

Randy Lippitt, James Collier, in sprints; Edmond McClendon in the 800, 400, and triple jump; Chris Hill in the 110 hurdles and long jump; and Harrison Mosley in the 300 hurdles and 400 dash. Chris Sypho, Kevin Snellings, Philip Simmons, Dewayne Leonard are the core of our depth in spirit, but we do have some surprises.

Distance is our weakness this year, but we do have excellent talent coming along in Wilfred Williams, Quinton Morgan, Deldrick Wilson, Gary Pennyman and Keivan Owensesby.

Jesse Curney, Julian Hicks, Ronald Christian, David Sheffield are going to make their marks this year in field events and we plan to make May a busy month in Jefferson.

Cedar Grove Saints have the ability of "Running In The Night".

TOP ROW left to right. Quinton Morgan, Chris Hill, Deldrick Wilson, Demetrius Smith
MIDDLE ROW, Coach Rawlins, Harrison Mosley, Omar Hassan, Julian Hicks, James Collier
BOTTOM ROW. Randy Lippitt, Wilfred Williams, David Sheffield, Chris Sypho, Kevin Snellings.

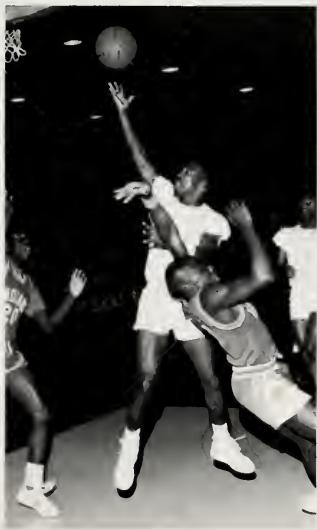

BACK ROW left to right. April Thomas, Yolanda Franklin, Cheryl Carmichael, Kelli Kimbr Dawn Thomas, Erica Ashley, Erica Stephens. MIDDLE ROW. LET'S BE SERIOUS

Marlon Jackson speaks to the top 10 percent about success and to avoid dangers in life which are associated with drugs and other obstacles in life.

Roy Patterson "motivates" the Saints with positive attitudes highlighting the points of staying in school, striving for the best, and letting no one discourage us from the things we wish to accomplish. 2-18-88

This photograph gives recognition to persons who are encouraging and assisting youth to attain and maintain their goals in life. They "motivate" us with the desire to go on with our dreams of success.

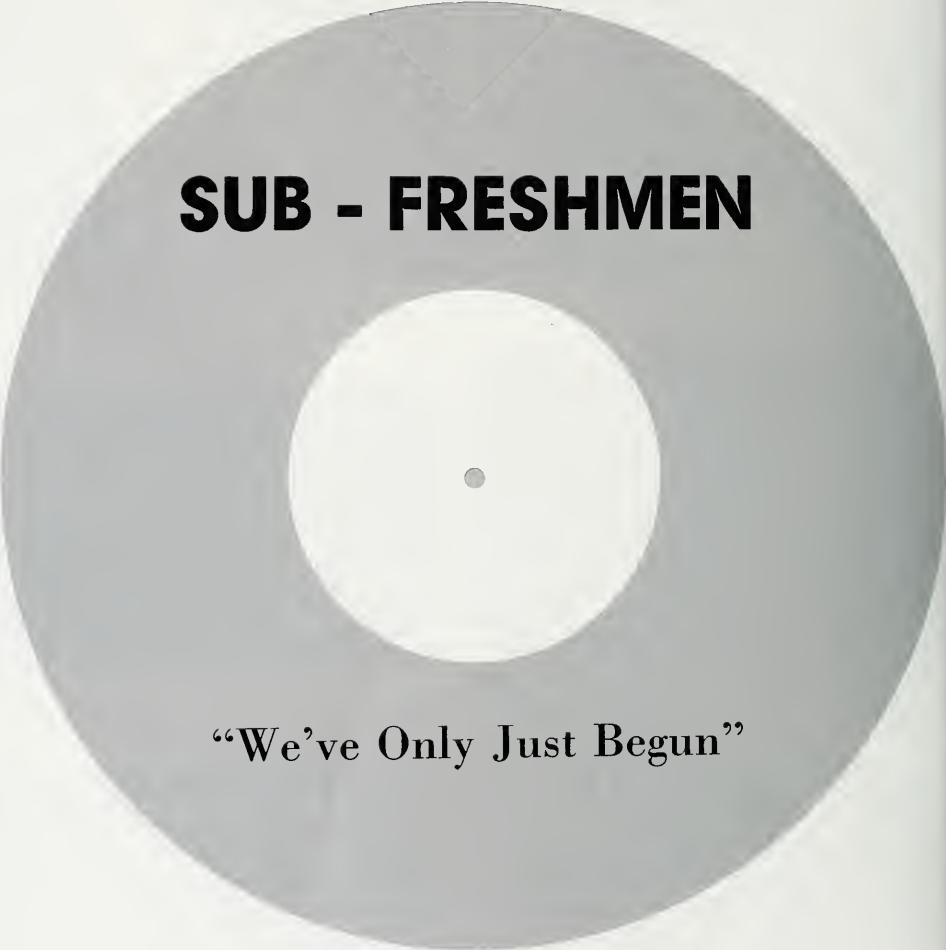

The motivational Choir, roused us with lyrics of inspiration, exalting us to continue the struggle.

The Marines sing in unison and also stress the importance of being "all that we can be" by doing our best at whatever we are doing.

With the combined efforts of the yearbook staff and the sponsors, Dr. Fins and Mrs. Whiting, we were able to create this year's version of the 1987-1988 yearbook. We have captured the essence of this school year in a book. Since we were mostly newcomers to the business, we first had to realize how much work goes into the process. In other words, "WE'RE BAD"

CONGRATULATIONS

ROBBY AND TANGELIA

Tangela,

A person who has made a great change in my life during the two years we've been together. Over these years you have been more than just a girlfriend. You have been a very good friend. You were there when I needed you most. Thank you.

Although we may not attend the same college, I hope our relationship will be preserved throughout college years. I wish you all the success in the future and all the finer things life has to offer. Remember: Always hope for the best but prepare for the worst as well.

Tangela, I will always love you.

Rob

To: Our Dearest Daughter,

We have watched you grow up from a toddler to a very mature young lady who brings happiness to our hearts.

Now that you will be leaving to attend college we wish you much hope and success in the near future.

Remember that we love you dearly.

Love,
Mom, Dad, Latonya,
and Kelly

To Arthur Robert Reese III (Robby).

My first real true love, I'm writing this message to thank you for the wonderful years we've had together. To some people love is walks in the park, quiet dinners and expensive gifts, but to me love is you-Robby and don't you forget it. Robby, one day you are going to be somebody important so don't let anything get in your way because you are heading for the top.

It's been two years of good and bad things and we made it, so hopefully there will be many more good times.

Love,
Tangela Porter

Robby,

You are the oldest son, the first to complete high school. We have watched you grow from playing with Hot Wheels to driving your own car. Now Robby, you're entering "manhood." I hope you realize how much we love you. We hope you never forget the values we tried to instill in you.

Upon graduation, you will spread like a scattering seed in every direction, seeking new roots, exploring new channels and beginning a new phase in your life. We wish the best of everything for you. Always strive to do the best that you can, set goals for yourself, dream and have hope.

But always know where ever you go, whatever you do, we will be there for you!

To Our Son
Mr. and Mrs. Arthur R. Reese Jr.
With Love
